

Dr. William C. Herrick Community Health Care Library  
Grossmont Healthcare District

**Reference and Research Request Policy**

Library staff are trained to assist the public in finding reliable health information and are able to perform limited research for those affiliated with the Grossmont Healthcare District (people who live, work, attend school, or receive healthcare within the Grossmont Healthcare District).

The information provided should not be considered an exhaustive exploration of the topic, and is not a substitute for medical advice. Library patrons are advised to consult with their physician or other health care professional concerning specific questions or to obtain medical advice.
